Dragon Corporate Finance – Share Subscription Form

Unicorn Network Incorporated is entering into a transaction in where it will do a reverse merger with a publicly listed company on a major European exchange. In conjunction with this, Dragon Global Solutions Credit Union and Dragon Corporate Finance have been tasked with executing a private placement of newly issued shares that are tokenized and to be listed on a European exchange no later than week 13 2021.

The tokenized shares will be delivered into the buyer's Pernum wallet provided herein, and subject to the company's Exploding shares program, in where additional tokenized shares will be delivered into the same wallet once every month for the following 18 months and calculated as a convertible option equaling the original subscription amount every month. (As an example: You buy 1000 USD worth of tokenized shares in this package and will receive those upon payment. On the 1st date of each of the following 18 months, you will receive an additional number of tokenized shares worth 1000 USD.)

The offer is aimed at (I) up to 149 private investors, (II) and qualified investors, (III) members of the Credit Union. The offer is not to be marketed to US residents. Investment advice is not the subject of the following contract. You may pay up to 50% of a package's price using YEM digital currency.

Once payment have been received, commissions and tokenized shares will be credited within 3 banking days.
